Aircraft Registration Fee (charged at the time of reserving the landing slot at Suzuka Circuit):  
JPY 300,000 (included in the flight fare)

Landing Fee (per landing): JPY 300,000 (included in the flight fare)

※For arrivals or departures before 9:00 or after 17:00, an after-hours management fee of JPY 50,000 per operation (incl. tax) will be charged.

※In the event of cancellation due to rain, the helicopter flight fare and landing fee are refundable. However, the aircraft registration fee (JPY 300,000) charged at the time of reservation is non-refundable.

※F1 Japanese Grand Prix tickets are not included. Customers without valid event tickets are not eligible to use this service.

### 【Disclaimer】

- The aircraft type may be subject to change depending on maintenance or operational conditions.
- Reservations for landing slots at Suzuka Circuit typically open about one month prior to the Grand Prix, at which time takeoff and landing times are finalized. We will accept preferred time requests at the time of reservation, however exact times cannot be guaranteed.
- In the event of flight cancellation due to adverse weather, the flight fare will be fully refunded, **but the aircraft registration fee (JPY 300,000) is non-refundable in accordance with Suzuka Circuit regulations.** For other conditions, please refer to the cancellation policy at the time of booking.

### 【Application Process】

After submitting your reservation request via the website, please complete and return the separate application form with your preferred aircraft, departure point, arrival point, and up to four preferred date/time options.

Final flight confirmation is scheduled for late February.

A deposit will be collected at the time of online reservation. Once the takeoff and landing slots at Suzuka Circuit are confirmed in late February, the payment will be processed.
